Travis was absolutely one of the best people I have ever known. He always put others' needs before his own, to a fault. He was there for me in so many ways at a very dark time in my life, and I will NEVER forget him for that! He always made me believe that everything was gonna be ok and it was. He never gave up on me. He made me see and appreciate the person inside, let me know it was ok to just breathe and enjoy life. I will always remember and love the man he was! RIP Trav, no more pain bub! Love Ya!!!!
