“ *Inard and I are so sorry about Sis Amy passing away, We were real close friend of her, she was a Sis in the church, and also she was more like a sister that I didn't have, I have known her every since we have been in the church together, we would go and pick her up and go to church together, as long as she was able to be there and wanted to go, we would go and get her, enjoy her being with us, Dalton would go with us a lot, we were close, I want to say to her son and Dalton, you lost a good mother and grandmother, I wouldn't want her back in this old wicked and troublesome world, she love going to church and worship the lord, Dalton we love you, and if you need us for anything, just give me and Inard a call, we love Sis Amy,*

*Rod, Amy was so proud of you. Try to find comfort just knowing her struggle is over and she's not suffering now. I know it helped me after we saw Daddy being so sick the last year & on the vent before he passed. No way was it easy, i'm just saying when you go through your rough spells maybe looking at things this way may help just a little.*
