“ My beautiful Aunt Nita, who I was so fortunate to be able to meet once, which i'm forever grateful The love between this family is absolute and beautiful to witness. I watched as everyone surrounded Nita in such loving and gentle care. I've loved hearing the stories of her life, how she loved to dance and adored her family. Take comfort in the vast memories you share that will inevitably flood your consciousness in the days to come, knowing she went home. Surrounded by those who passed before her, perhaps even dancing again. Sending all my love. -Pamela Didia (Steve sends his most sincere condolences to you all.)
