“ Prayers for the family. Keep in mind that we don't "lose" someone, we are only separated from them for a short time. It would seem that God wanted him more than you needed him and that is why he was called home. Folks will say that time will make it easier, but knowing from experience that is not always so. It will not get easier, but if you let Him, each day God will make you a little stronger to deal with this. May; God Bless.
