“ My heart is saddened by hearing of Barbs passing! Barb was a very special lady who loved her family, friends and especially children! I wonder how many children she has hugged, comforted, and loved in her lifetime! I witnessed how compassionate she was while working at school, so humble soft spoken and kind! My son had the privilege of being in the Kindergarten class where she worked, she was a blessing to us for sure! Praying for Harold the boys, and her family, that God will give you Peace and Comfort ! Love you all, I am so sorry 😭

I am so sorry for the loss of Mrs. Johnson, my children also had the pleasure of having her as their kindergarten teacher. She will long be remembered for her kindness to the children who were in her care for so many years. She was always so pleasant when you would see her and speak to her. She will be greatly missed by all who knew her. I'm so sorry for her family's loss. May God give you comfort.

I am so very sorry to hear of Barbs passing. I cleaned for her and we became really good friends. She was the kindest most humble person I have ever met in my lifetime. She loved all children and loved her children so much. And her and Harold Dean had a beautiful relationship. They always worried about each other. To her children and Harold, I am so sorry for your loss. She was a very sweet lady who loved with all her heart

“ *Barb and Harold were my second parents at 16 years old they treated me like a daughter. She was always there when I needed her and mine and Ricky’s kids as well.*

I’ll never forget her for that

She helped me in more ways than you’ll ever know. We talked and confided in one another for the last 10/15 years.

I’ll never forget or stop appreciating the special love and bond we had and the help and love she showed my boys and Monica.

I’ll love and miss our talks and laughs we had togetherUntil we Meet Again 📖🕊️

To Harold and all the Johnson family. I am sorry to hear of Barbara’s passing. I never met her but I worked with Harold at KYDOT and not a day went by that he didn’t speak of her and the kids. My deepest sympathy to all. Robby Thompson
