“ *My papaw basil was the greatest man I know. He took me in and accepted me as his own and he taught me so much. We used to walk to the top of the mountain often and I hung out with my papaw up on the flat behind his house just piddling around with stuff. I am gonna miss him so much he was the best papaw in the world. RIP and fly high Papaw Basil. Give Mamaw Marie and mommy a big hug.*
