“ *Thank you so much for everything over the 30 years I knew you. You always said you were the best mother in law I ever had and you were right. You were an amazing person who did everything you could for anybody. Thank you for everything you did for Dawson over the last 18 years. He was our "little plot" We have a million stories together and I'll never forget them. Thank you for truling being the best mother in law, co worker and friend through the years.*
