“ *Rosemarie I can't even say how sorry I am for your lose, I know losing a Mother and especially one who was so close, I remember running into you and your Mother at Mona's several years ago. I also spent as much time going out with my Mother and I still have all the memories. Prays for comfort headed your way, I don't think I can make it to visit, I have Ava in my care until Midnight daily*

“ *A woman that was more of a mother to me than an aunt. I will never forget her warm smile, tender heart and compassion towards everyone. Whether you were family or just visiting, her door was always open no matter what time of day or night. Her legacy lives on in her daughter, Rosemarie, who like her mother is always there for those in need. I will always remember my Aunt Bush/mommy. R.I.P aunt and give mommy, daddy, big kiss for me. I love you.*
