“ *So sorry to hear the passing of Beryl! She was such a good person her, Charlie, and his little dog both! I've thought of them often living in our little holler community growing up there. The many wonderful stories told to us about Gary Stewart staying with them, to their many travels, and things seen by them! You might say, we loved their stories cause it gave us a insight to life past the holler. Mom, and Beryl were good friends. After Charlie died we would visit to check on Beryl and his little dog would just lay on the porch and look at the cemetery Beryl said he was just grieving himself to death over Charlie! Sorry for their passing but memories we hold dear to our heart. Prayers for your family!*
