“ *My wonderful, loving and caring mother, I miss you more than anyone could ever imagine. I thought this would get easier over time, but I was wrong because it just keeps getting harder and harder. It broke my heart to come and see you the way I did. I'm so sorry! It was my own fault. The moment I walked through the door at Hall and Jones my breathing became very faint. I lost my breathe when I walked up and saw you laying there, knowing Heather, Nikki or I would never see you again until God decided to take us to be his Angel's. At least you're not there alone. You have Dad and Mamaw Pearlle along with Papaw Curt and a bunch of other loved ones. I'll be in Heaven with you one day so be waiting because I want a big ole hug and kiss from you. I miss your voice and can't wait to hear it again. I LOVE YOU MOMMY!!!*
