“ I will miss bub. I remember us playing when he was little and I'd come up and stay all night. Over the years with me moving away, we didnt get to see each other often, but I asked about him everytime I talked to Deb and occasionally we spoke on the phone, and facebook, and I think he knew how much I loved him. He told me once- well more than once, and I'm smiling over this, that I was his favorite aunt. He is a special soul.  
I love you Brandon. Have a peaceful journey.
