“ Brenda was a very inspirational woman with a strong faith in the Lord. On Facebook, she was always posting about the Lord, and she had prayed for me and my husband on many occasions. She has left behind a beautiful legacy for her children, grandchildren, and for many generations to come.

“ *Brenda and I worked together a few years back, she was a pleasure to work with and not only were we co-workers we were also friends. Her daughters became special to me, I held Allie when she was brand new & was there for Matilda & Billy's wedding (until I moved south I was their neighbor). Brenda was my friend and her children & grandchildren are very special to me. Rest in Peace sweet lady, you were loved my friend.* ”
