“ *I have many memories of Brian as we grew up as neighbors...some of the best memories are of him sitting on my parent's front porch and teaching me sign language when I was about 13. I haven't used it much during my life time, but what I still know and remember of it is due to Brian. Love and prayers to the family.*

“ *I want to extend my sincere condolences to the family. May God grant you peace and strength during this time. Keep Mr. Fouts alive always in your hearts and remember all the beautiful memories given to you by him. In the very near future, the following scripture will be a reality. Revelations 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." May God's words bring comfort to you and the family at this time of sorrow.*
