“ Brian, I love you. I always have since we were little kids. You fought a long hard battle and I'm so proud of you. I know you know that and that gives me such peace. It hurts so bad. But, I know it's not goodbye just see you later.

“ *One day Brian and me couldn't find anyone to ride with us so we headed out ourselves to Elkhorn.. At that time neither of us had rode there...We had a great day exploring places we had never rode... And had some big laughs and great talk between friends.*

He thought he seen a trail going down a steep hill into the trees lol well about 300ft down the hill we had already figured out that this wasn't a trail and we're now stuck between two hills lol..And the way down was so horrible we couldn't go back up it . So letting him lead the way (which he loved) we found our way out..Right up the other mountain lol.. That was one time when we thought that we're in a mess , but we did it !! Brian you'll never know how much you ment to me... I wish I would have spent so much more time with you lately..I would have never dreamed you would go this fast and all the sudden.. I hate that I have seen you and Ronald both layed to rest... And out of all the people in my life you and Ronald have always been the ones I could count on to be there when I needed someone. And for that you two were my best friends I have had in this life.. My heart has ached for two days now and I know it will be awhile before the pain stops .. But I know that time heals just like it has in my life before so many times .. But you my friend will never be forgotten in my heart.. Ill miss you till the day I die .. And so (might legend) Brian bye for now and I Love ❤️ u my friend.

“ *So many childhood memories. If i were to start naming, I would take up too much space. You were definitely a legend...lol! A rotten taled youngen. I pray for peace and comfort for Nichole, his children, mom, sister, and all who loves you. You will always be remembered and always hold a big part in our hearts and many of our lives. Fly high Brian Daniel, and when you get up there with the big guy, you'll be brand new. No more pain. Until we meet again. Rest easy my friend.*
