“ *My deepest condolences to B.J.'s family (especially Becky & their 3 beautiful children). I know that there isn't much that can be said that will offer much comfort from what you're going through, but know that you are in my thoughts and I pray that the good Lord above grants you the strength to pull you through this sadness and grief. B.J. was such a good person and I'm glad to have known him. I know that he has endured so much and he has fought so hard for so long- - - but now he can rest & his soul can finally be at peace!! He will be greatly missed.*

“ *I can't find the right words to express our feelings. As long as we've known him, BJ was just a remarkable person. He was a well mannered considerate young man, always showing love to his parents, He grew in to a fine young person,semed always happy and liked by the ones that knew him. He didn't mind working as a teenager and always seemed to love his job. His love for Becky was obvious from the begining and hers for him. He strived to provide for his family and was a great dad. We are so honored to have been a part of his life and will always remember how beautiful it was the day him and Becky was baptised. This time God has truly took the best.*
