“ My Uncle Carlos was one of those rare people, that if you were lucky enough, you had in your life. One of the kindest and sweetest guys you would ever meet. He would do anything for anyone. He was always smiling and laughing and always fun to be around. Not one bad word to say about him. We loved it when him and Donald came up one year to go fishing with us to the upper peninsula of Michigan. Those memories I will never forget. Thank you uncle Carlos for always treating all of us so good. We will forever miss you. I'm so sorry we can't be there. Our thoughts and prayers to all our family down there...
