“ He was a good friend to dad and our family! I remember years ago, a bad winter storm was predicted and I was trying to get home from work at Pikeville! He came with dad looking for me! Another time, mom and dad's house had gotten flooded, we had to stay at a neighbors house that night. When we walked in the door, he was already there mopping the floors. I believe he is laughing and joking with mom and dad now! For just a little while and I believe we will see him again!!

So sorry to hear. He was a real close friend to me, many days he would come by my greenhouse and set and talk. Got chickens he also enjoyed . Talked about the grand babies also on planting strawberries for them. I sure am going to miss him. My friend forever

“ *I’ll always remember Carlos as the coach who loved the game as much as he loved seeing us kids grow as players. He brought energy, patience, and fun to every Little League practice and game. He didn’t just teach us baseball—he taught us teamwork, dedication, and how to give our best. I’m grateful for every moment on the field with him.” Rest in peace 🙏🙏🙏*
