“ I truly loved this lady, I'm going to share a memory that will bring a little chuckle, to brighten this day.

I was working at Dorton School, I'm thinking it was Valentine's Day, it was definitely a party day. I was in the office with Charlotte, a parent came in asking Mrs. Johnson to announce over the intercom that a blue Ford Taurus had them blocked. She immediately made the announcement, I can't remember why I was working in the office that day, but I remember clearly about 10 minutes when by, the blocked parent returned. Mrs. Johnson

Made the announcement again, would the person driving the Blue Ford Taurus, please move. My guess is it went 10 to 15 minutes and the blocked parent, who was aggravated at this point returned to office. Now Mrs. Johnson was aggravated herself, she told me, I'm going to really get the point across this time. Mrs. Johnson for the third time got on intercom, raising her voice, making each word come across loud and strong, would the person driving the Blue Ford Taurus, please move their car, you have others blocked.

I will never forget the look of satisfaction on her face as she returned to her chair, neither will I ever forget the look on her face, when Mr. Gene Tackett opened the door and asked, Charlotte, honey what are you driving today? 😂😂😂 You must remember Charlotte was the wife of a car salesman, and it was her car that needed to be moved! Lol we laughed often over this little bit of confusion. She could make you laugh, make you cry, and love you like no other. Praying for her precious family, I hope this memory made you smile.

I remember when the Ford Taurus story occurred and how upset Charlotte was getting. Charlotte could always make me laugh at the simplest things. I sure am going to miss my precious neighbor. Marilyn Osborne

*Charlotte was the sweetest. When we were in high school she always told you how pretty you were and asked who your boyfriend was 😊
Later as an adult & going to church with her she would ask you if would you like to serve the Lord & when you said yes... You were working bible school or performing in the Christmas play. She knew how to get you to do things for the Lord. Prayers for Judy, Janet, Fletcher Jr and the whole family.*

“ *Aunt Charlotte was always so welcoming and kind to me when we would visit Kentucky during my childhood. I remember her being so full of joy to see you, and she would always welcome you with a warm hug. She had a bright spirit and a loving soul for not just her family, but extended family as well.*

Sending out our prayers for your family at this time. May you find peace and comfort.

“ That pastor was amazing and I so enjoyed his encouraging words. Charolette, you were an angel to all us little ones back in the day. I would come into your office just to smell your perfume. One day you gave me a little Avon sample. I did not want to waste it so I would smell it and hide it. I use to do speeches for 4H and you would correct my grammar. Many special moments. I will see you up there. Samantha Adkins.

So sorry we could not be there for Aunt Charlotte's service. We would have been! We watched and it was a beautiful tribute. We will come "home", as she always called it, when this pandemic is over. Orbenia's daughters.
