“ To the Family, and close acquaintances of Chester Blair,

During these difficult times dealing with the absence of our most loved and cherished ones, we feel as if a vital part of us has left. We spend our days reminiscing about the “Good Old Times” which keeps us revived during the coping process which helps us to heal. All around the world families and close friends has to come to grip with this inevitable conclusion which Peter expresses it this way;

“for "All flesh is like grass and all its glory like the flower of grass. The grass withers, and the flower falls, but the word of the Lord remains forever."And this word is the good news that was preached to you.”

My friends and family in the Lord, remain encouraged, because this life is not the finale. We have been assured, guaranteed, and constantly reminded of the Lord’s promise that the world we live in now, is training grounds equipping us for a more spectacular experience in the life to come.

Death is not at all an easy subject matter to approach, for the lost of our loved ones is a section of our heart, that remains unoccupied. But again, the Lord has promised us that any empty voids in our heart, “He Will Fill” according to John 14:23;

"If anyone loves me, he will keep my word, and my Father will love him, and we will come to him and make our home with him.”

Our prayers for Henri and Jeff the Blair family and friends of brother Chester will continually be lifted to God on behalf of the Peacemakers Family. God always remain faithful even when our faith takes a serious hit from what life may throw,... God still remains faithful for eternity.
