Towanda: I'm so sad to hear of Chet's passing. He was truley a good friend. Even though we didnt see much of each other the past 15 years or so, I thought of him often. We had some good times together fishing and camping and working. If I can do anything for you and your family please let me know.

“ Always joking and acting silly. I will miss you very much. You were more like a brother than a cousin. Hope you will have fun when you meet Rickey again. Love you so much.
