“ *I was heartbroken to see that my precious sister in Christ and friend had passed away. Diane was one of the most wonderful people that I've ever known. She worked with me at the flower shop for a couple years before she went to Florida to care for her parents. She had a strong faith in Jesus. We worked all day and shared the wonderful works of the Lord . We shared with each other how Jesus had worked in each of our lives.. She was always so calm no matter how stressful things got. I loved my wonderful friend. You will be missed by many Sister Diane.*
