“ I was a KSP Trooper assigned to Pikeville Post 9 from 1974-1983 and worked and lived in Pike Co. I remember Claude as being a super nice guy and brother trooper. I am blessed to have shared a portion of this life with him. I pray that God will comfort your family as only He can.

I was sad and sorry to hear the passing of Claude. I worked with Claude in the Court Security Unit for over 4 years. He was a true gentleman and a great person. I enjoyed working with him and he always had a smile on his face. Prayers to his family and may the Lord bring comfort to them.

*I worked with Claude U# 1001, from the time he came on as a trooper and before as a Dispatcher. He was always my friend and honored fellow worker. He had sternness and a no fear approach to the job and a lot of compassion. During our work we became brothers in Christ. I know he is with the Lord. I pray God's blessings and comfort on his family.

I remember so fondly the many days I spent at your house, Claudie, Ben and Amy. When your Dad got off work he'd come pulling up the driveway (which was exciting to me because that meant Sandy was going to have dinner on the table), then that tall, lanky man would come sauntering in with his jacket swung over his arm. Amy would practically start jumping up and down and you boys would run and hug him. ~ My heart goes out to you. I am so sorry.
