

## Curtis Wright

October 26, 1937 - February 5, 2019

It is with great love, pride, respect and broken hearts that we write an obituary of our loved one, Curtis William Wright. Curt was born October 26, 1937 and passed away February 5, 2019, making his stay on earth 81 years and three months. His parents were the late Margaret and Everett Wright. Curt was born in Floyd County and at the age of fourteen his family moved to Pike County. It was here on Lick Fork he met and married the love of his life, Irene Mullins. To this union was born two sons; Tony and his wife Kim of Lawrenceburg and Timmy of Georgetown. Curt was a master plumber. I remember when he got his plumbing license, he was so proud of them and we were so proud of him. He studied and worked really hard to get them. In Curt's younger days he was a great horse shoe pitcher, loved to fish, play aggravation and a number one plumber. He would work hard all week then take the family fishing on the weekends. He loved to go to church and went almost every Sunday when he was able.

Curt worked thirty-one years for the Pike County Board of Education and then retired. On October 3, 2016, Curt was diagnosed with the terrible disease dementia. Curt took this in stride and moved on. Then on July 6, 2018 Curt was diagnosed with Parkinson's, another terrible disease. These diseases progressed taking over his body.

Curt and Irene were happily married for 56 years and 7 months. Curt is survived by his loving wife Irene, two sons; Tony and Timmy, four grandchildren, three great grandchildren, along with a neighborhood of family

and friends. Our hearts are broken and our home will be so lonesome without him. Curt, we love you and will miss you so much.

Written by your loving family.

“ *Uncle Curt was a loving human being . He was the last of my mom's siblings and was a treasure to all who knew him. Curt loved his family endlessly and was a friend to so many that his legacy will be carried on. Saddened as I am I realize he is with many loved ones now. I pray continued love and strength to his children and Aunt Irene and all that knew him.*

“ So sorry to hear of Curt’s passing. My thoughts and prayers are with Irene and their sons and the rest of the family. I worked with Irene at model city day care and always loved seeing Curt when he would come pick her up after work. He was so handsome and humble and their love for one another was so sweet. My heart breaks for this family...so sorry Irene, I love you dearly.
