“ *I have so many good memories of my grandma. I feel like one of the luckiest grandkids, because I did spend a lot of time with her when I was little. She taught me a lot. I remember gardening with her the most. But, I also remember catching lightning bugs on the back porch. Her & my grandpa would also make Easter very special for us kids too. I love you grandma & there will always be a place in my heart for you.*

“ *I remember going to her house when I was younger. She showed me a quilt she had made it was one of the state birds and flowers. I never forgot the quilt. I have made one myself. I think about her every time I see it. God Bless her and her family.*
