“ To Sandra and the family of Dannie I am so sorry I can't be with you all today to say my last goodbye to Dannie. I loved Dannie unconditionally and I know she loved me. I first met Dannie when I was in the 7th grade at Dunham High School. She was quiet and kept to herself but by speaking and talking with her we became fast friends. My heart is heavy at her passing but God has a date selected for us all and this was her time. I will miss her arm slung around my neck and that big wide Dannie grin she always had when she say me. Presence will sorely be missed and if I could say something to her now I would tell her to take her rest and we will all try to look after her precious daughter. I love you Dannie! ❤️. Lois Thompson
