“ *Crystal, no matter what a person says at a time like this is the right thing to say. Just know I feel your pain loosing my Dad not to long ago. We all grieve in our own way and time. We have our special memories to get us through these difficult times ahead. Keep family close and look to God for comfort. You and your family will be in my thoughts & prayers in the days ahead*

“ *I work with Luann and I didn't know that Neal was her father in law but I just wanted to say that I got to know him at my previous job and he was the sweetest man ever! He was one of my favorite customers to come in! So sorry for you all loss, praying for God to wrap his arms around you all during this difficult and trying time!*
