“ I met David as a UPS driver in 1997 - 2008 in Jenkins at the old National Mines Warehouse, one of our largest accounts thanks to David and Paul Sanders. I look back now since I'm retired and remember David saying to me that, "I was his good friend". People would tell me that if David said that to you then you were definitely his friend. We had some good times, and he was a well-respected Fireman in and around the Jenkins area. I respected him for that as well as being my good friend. I'll never forget those memories and precious times that I still to this day cherish.... RIP my ol' friend for someday we'll me again.

“ I was honored to have served with David for over 22 years. I learned a lot from him. Honored to call him Chief, brother fireman, but most of all honored to have heard him call me his friend..... See you at the next one my friend and hero....
