“ *Deaney was my cousin. We didn't know each other well mainly due to our differences in age. But it would have wonderful to have gotten to know him as we would have seen more of each other at our Jones family reunions during the coming years. I just want Gary and Janice and the rest of Deaney's family know that my thoughts are with them during this difficult and sad time. I love my Jones family very much praying for you all.*

“ I have known Dean about 2 years. It was a pleasure to play golf with him. He always had a smile on his face. His quick wit and humor made him a crowd favorite. The Raven Rock shootout gang will sure miss his presence. He was the kind of man everyone wanted as a buddy. I never got to go on your golfing trips but maybe we will tee it up again in another place and time. God bless your family and lucky friends.

“ *Dean was an easy man to love. He always had a smile and a kind word to say to me. I saw him most when I went to PT, I would leave the PT room and there he was working out. He talked about his family all the time. I could tell how important they were to him. I love this family and my heart aches for you all. I wish I could take the pain away but I know that isn't possible. I am here if any of you need me for anything. I love you guys very much and I am so very sorry for your great loss.*

“ I'm really going to miss Dean's jovial personality at the golf course. I knew him for so many years and he was always the same. He loved bright colored golf clothes which I'd call neon or electric and they truly reflected his interactions with others. I loved to tease him about his clothes but he always looked terrific as a golfer. I met Mechelle through him and found one of the sweetest ladies I've ever known. Dean and Roy were so much alike and liked each other immensely. We've lost two important people with huge personalities and they cannot be forgotten. They will continue to have an impact on our lives.
