“ I worked in case management with Demeta for many years and took my first beach trip with her with the other co workers. She said that she came on the trip so she could get to see my first reaction to seeing a beach for the first time in my life. " I will never forget her and all the dinners and good times we all had together. She will be greatly missed and never forgotten. Fly high my sweet friend.

“ I've known Demeta for almost all my life. I had the wonderful honor of working with her when I first started as a case manager in Martin. She was my work mom and I knew I could go to her with any questions I had about not only work but life. She was such a blessing and I look forward to spending eternity with her one day. Praying for the family during this difficult time.

“ Demeta was such a humble, awesome person. If you needed anything she was right there. So thankful God put her in my life. She always felt like a sister to me. I couldn't say enough good things about her. If she loved you, you were loved indeed! I know Heaven is a beautiful place because you're there my friend! I will miss you here, but look forward to spending eternity with you there! Prayers for the family continually going up!
