“ *Sending love and light to the family of Mr. Dexter. I did not yet have the pleasure of meeting you Mr. Dexter but I have been blessed to work with your son Matt. I would like for you to know what a fine man Matt is. He's kind, wonderful & thoughtful. He has made my job easier on so many occasions and I consider him more like a brother than a co-worker. Knowing that apples don't fall too far from the tree, I'm sure Matt embodies much of your heart and spirit. Rest well Mr. Dexter. God bless you and your family now and always.*

“ *Dexter and I became fast friends when he visited Ann Arbor and his son Matthew married my daughter Regina. When he visited Ann Arbor we all went to Dinner several times at our popular restaurants where he met my large family and one day we all visited a famous Apple Orchard. He visited my family on many holidays and birthday celebrations. I remember for His Birthday we all went to Texas Roadhouse where the employees song happy birthday to him and he rood their wooden horse. We are deeply shocked, hurt and sad about his passing. Matthew, Mark and His family loved him and will miss him but, God loved Him more. Rest well my friend in the Arms of God. We are praying for you all during this difficult time. My God still sits on the throne and he will see you through.*

*Sincerely,
