“ *Diane (Peanut) was my double first cousin. We grew up together and I have so many happy memories of her. We spent so much of our time playing in the hills and riding horses playing in the creek. She was the closest thing to a sister I'll ever have. Her , Debbie and Donald. I love them all so much. It breaks my heart to say goodbye to her. She was so precious to me. All my cousins are. I pray that God will see us through the coming days and help us deal with her loss. Prayers for Steve and Christy in this difficult time.*
