“ *It's hard to loose someone you love anytime but Christmas made it so much harder when I lost one of my younger sisters. When it should have been one of the happiest times our family was broken. I am sorry you are having to go through such a sad time. I've always heard another holds the family together. Be there for one another and don't let that family bond drift apart. I will be thinking of you during the holidays and keep you all in my Prayers.
Freda thank you and James for being good to Daddy and always playing music when he ask.*

“ *Sweet memories of Dixie. A genuinely good person. I wrote to Grandma Ella when she lived next to Dixie. Reda answered my letters when Grandma Ella couldn't anymore. I'm so sorry for the loss your family must feel. I am the youngest daughter of Myrtle Ratliff.*

“ To the family of Dixie’s. We send our deepest sympathies. I remember one year we came down for a visit and we brought, Jetta and Etta. In order for us to get up the driveway, my husband had to back down the driveway put the truck in low gear and floor it. We weren’t sure we were going to be able to make it up her driveway. And when we finally got up the driveway and found ourselves in the house, we were greeted by a table full of food. I remember growing up as a child, my grandmaw, (AlphaRatliff) always had a table full of food whenever we visited her after she moved back to the south. It was Ohio, but it was closer to Kentucky for her. The warmth and compassion Dixie showed all of us, you would have thought she knew us our entire lives. What a wonderful woman she was. We are so sorry to just hear of her passing and hope you get this note. I’m sending a card and a note of goings on up here. But you all stay safe and may God Bless you all!
