“ One of my memories of Don is a long time ago. Russell and I were visiting and Linda and I decided we wanted to go to Smoky Mountains. We pestered Don and Russell until they finally agreed to go. We set out with high hopes but after driving for hours we realized Don had taken a wrong turn. He refused to stop and get directions so we continued to drive. Finally we got him to stop at a motel and get a room next morning we realized we were in North Carolina but still in the Smc We didn't get to see much but boy did we have a good time.<https://s3.amazonaws.com/storage.lifetributes.com/Candles/new/1.png>
