“ *It breaks my heart to learn Donald has left this world. At 16 I was crazy about him, he was the first man to send me roses. He was also the first man to break my heart. I will never forget him*

“ He was the total opposite of my dad and his twin, my dad tall, skinny, curly hair, my uncle Donald short, stocky, straight hair but there was no greater love that these two shared. They could fuss and fight with each other but no one else better do. You will be missed Uncle Donald and I love you
