“ I met Edwin Mullins in 1971. He remained a family friend until his death. He always said no one cared for him on Long Fork. I wish someone would share a nice memory of him. He was a very generous man and worked very hard as a coal miner. Ed will certainly be missed by the Newsome family from Prestonsburg, KY. He lost his wife, his son and his own life within a year's time. This is so sad to have so much bad luck. Ed, I will never forget you. May you rest in peace.

I am Lucille Newsome Hall with my 3 grandchildren. Ed was so kind to these kids that I felt it proper to include them in this tribute. There's Libby (she was his favorite); Kenry and Christain.
