*I have known Edger since 1980. I lived up the road from Him on Monkey town, I became homeless and he allowed me to use a camper for few days. He gave me some food since I hadn't eaten in over a week. One of The first people, I met when I came to that area back then. A very Kind Person & I will be grateful to him forever. R.i.p. Edger . Kind heart You had, Thank You*
