“ *To Aunt Ette's family, I am very sorry that I could not be at the funeral/tribute to such a wonderful lady. She was my great-aunt, my mom is Anna Mae Mullins Blair. Some of my favorite childhood memories was of going to Beefhide and visiting Aunt Ette and Uncle Noble and their kids. The boys would always take me and my sisters to show us the animals and Aunt Ette's basement held the best canned foods in the world. Especially the pickles. I'm so sorry for your loss, but she has left a legacy and her candle will always shine bright with your family. Love to you all.*

“ To all of Noble & Ett's children,  
We are so sorry for your loss. Just wanted to let you know that our thoughts and prayers are with all of you during this difficult time. I always thought that your mom was one of the sweetest and kindest ladies that I have ever had the pleasure of knowing. I have a lot of fond memories of living across from you all on Brushy Fork.

“ To the Family of Etta Eddington, I am truly sorry for the loss of your Mother, your life will never be the same. It is hard to give them up but you know it was the best for all. Etta had a large family and I knew only a few of them. Etta should be proud of her Children. To Von, my best friend and the sister I never had, I love you and I pray you have peace. Days ahead will be hard for you as you have helped me with the loss of my Mother recently. Marie, your laughter is contagious, thank you for all that you have done for me. Etta had two (2) special daughters in Von and Marie. Cherish the memories of your Mother, they will carry you through.
