“ Sorry to hear of Faye's passing. She was a fine person. Went to VHS with Joan & Beverly and later met Joyce. I use to sell them ice cream from the little truck Daddy had. Met Grover when we either drilled a water well or some backhoe work. Wonder if our paths would have crossed if Daddy hadn't had so many adventures he had us involved in. Thankful for the memories we made with this family and hope you can find comfort in your memories of Faye.
