“ To my precious and handsome cousin, Keith!!  
Been thinking of all the times we played in  
mamaw and papaw Tackett’s yard. Red light-  
green light, pretty girl station, red rover and  
Simon says.

Oh, the family reunions we all went to there brought so much  
happiness and the food was so delicious!! I know you remember the  
time Uncle Slim got out of his car and started throwing apples at all  
of us. And the times we all climbed the hills and waded the creek.  
So many memories.

I thank God that you were my cousin. I will see you again! Give  
Uncle Ben, my mommy and daddy and so many of our family  
members one giant hug for me!! Love you and miss you, Becky Ann
