“ *Gave was one of a kind. I'll never forget him and the interesting conversations we always had. I've known him since he was a little boy and he will always be missed. I know his dad(who I've known since we were kids) and my Jason are welcoming him and they're having a wonderful time. The memory of him playing in the creek behind my house will always been in my mind. That happened just a few years ago. My prayers are with you. I love this whole family.*
