“ I remember when I was young she use to pack me around up the hill and when I came to stay for a summer she was working and no matter what restaurant she worked at she would always bring me their left over throw away burgers. I would ask her and Yale to bring me something back and I waited up till late waiting for them to come home but got to tired and fell asleep and she woke me up to tell me she had a burger for me. I am gonna miss talking to you in the phone. I love you and miss you my sweet and beautiful aunt.
