*Dear Beverly and Family,
Please believe the pain we feel for you . There are not enough great words we could say about Gary. He was a great friend and Donna thought Gary was the best scrabble player. He will be missed by people that ever met Gary or You. You both have been a great blessing to the Lord in your services and friendship. I wished I could find the right words to tell you how sorry we are for you. We love you and will be praying for you .*
