“ *Gary will be missed by all who knew him. I first met Gary in 1976 when I joined Kentucky Power and we became friends and stayed so through the years. I am so sorry for your lose and offer the message that he is only gone in body, his spiritual being and his memory will be with you forever. May you all be blessed with the ease that he and the entire family are in everyone's thoughts and prayers.*

“Dad you were my moral compass, you taught me right from wrong and how to be an honorable man. You were my father and my friend. The lessons you taught me will be cherished forever. You taught me how to be a father, a husband, a friend, how to earn an honest living, and how to enjoy the simple things in life. Nothing can bring you back to us, but nothing can take your lessons and memories away from me. Much love from a son so proud to call you Dad or 36 years!
