*It was a honor to know Gearlene, she was a very loving and kind hearted person, I knew her from school at Elkhorn and also she had my grandson Austin Bartley in her headstart class for two years. I was the lunch-room manager there. I am very sorry that I couldn't be at the funeral but my thoughts and prayers were with all of you, I will truly miss her, but heaven has gained another angel. So I am saying good bye to an ole friend, and I hope to see her again someday when this life is over. Pamela Bartley*
