“ I've known & been neighbors with Geneva most of my life. She was always good to me especially when I was a kid!! She could be as mean, hateful & rough as they come when she wanted to be, but that was part of her charm & appeal because a lot of times it was for fun!! No one loved fishing as much as she did!! I can only hope she's chasing catfish in glory right now with my Mamaw & Geneva's dearest friend Lou Vern!! I'll always be grateful for knowing those two women as long as I did!! May they both rest in peace!!

*I've know Geneva almost all my life. She was my Mammys best friend. She was the coolest person in Monkeytown. She was so good and kind to me and my brothers and sisters. You will be missed by a lot of people.*
