“ My Uncle Jr was one of the sweetest men I ever had the pleasure of knowing. He always had a smile when he saw you come in and always ask how are you today. I never went to his house without he offered something to eat or something to drink. He always wanted you to come back and visit. He loved each and everyone of his family from the bottom of his heart ❤️. He was so special to me I can't put into words how special he was my heart aches just to know that he isn't with us anymore it just don't seem possible. Truly a special man and a one of a kind . I will forever be grateful for the time I had with my Uncle Jr and I will miss him always. Rest In Peace

“ I have had the pleasure of being in this family and have known Junior personally. He was a man who was devoted to the Lord and his family. He never had a harsh word toward anyone. I pray for his wife (Omie) that the Lord would give her the strength to get through this time of loss. I know deep down she see's that he is in a better place. To be absent from the body is to be present with the Lord. Also to the children and grandchildren I pray God wraps you in his arms of love and peace. Still your daughter-in-law. Debra Head💔💔
