“ My dear sweet friend. I have the most amazing memories of spending time in your home as a young school girl. Getting to visit with you a few years back was truly the high light of my first trip back home since 1983. As always you welcomed me with open arms full of love I will always cherish that shirt but special visit. I truly loved you. My heart goes out to all the kids. Especially Alice my friend of so long ago. It was because of you my friend that I had the pleasure of getting to know your sweet momma. Love to you all.
