“ *I was so sorry to hear that Glen had passed away. He was a friend and classmate and will be very much missed at future reunions. He kept us entertained with stories about our high school antics, many of which I was in the middle of with Glen. May he rest in peace. Doug Johnson, Dorton High School -- Class of 1960.*

“ I remember Glen through my daddy. He would do anything he could for my daddy and vice versa. He was a good person. I remember meeting him and his little dog at Pikeville. He let my granddaughter play with his baby and we talked for about an hour and a half. He talked to me about my daddy and told me memories from years past. I left Dorton about 30 years ago but he reminded me of so many things that I had forgotten. He even took the time to be kind to my granddaughter that has medical problems, not everyone is. He made a very positive impression on me. As we were parting ways, he told me to be strong and keep positive thoughts, God wouldn't lay more on me than I could handle. May he rest in peace.

“ I was shocked and saddened to hear of Glen's passing! He was a classmate and was always, by nature, very upbeat and fun loving. He certainly had a special place in our class reunions because he was gifted with a good memory and a unique ability to tell stories with such enthusiasm. He also gave each member present a special gift to remember the occasion. Glen accomplished much during his lifetime, but never strayed from his grassroots attitudes and values nor his gracious personality. He will certainly be greatly missed when we next meet as the Dorton High School Class of 1960.
