“ *Sitting here trying to find the words through my tears to pay tribute to my very best friend in life and the most amazing woman to grace this earth. Just last week, we were talking about our memories and how we were inseparable growing up, you reminded me of the time, your mom, Lacy Gene and Mary took us to Jenny Wiley lake and we got to swim and had so much fun and how my mom used to tell us we were going to wear that road out running back and forth to each other's house. Now the memories, (which I will cherish forever) will have to sustain me until we meet again, and I know we will meet again! We played together, went to Sunday School together, laughed, cried and prayed together. All your pain is now gone and you are rejoicing in the presence of the Lord and for that I am thankful but for your loving family and friends, it's too soon. I love you my friend and ....What Earth Lost Yesterday, Heaven Gained.. Love, Dot 💔🌹*
