“ So sorry for the family’s loss. I am related to this love one, I am a second cousin on his dad’s side. This picture of him is the first time I’ve ever seen him. Maurice is my mother Maggie Johnson’s nephew. She is the only one left that is alive from Maurice’s aunts and uncles. It’s so sad to read a person’s obituary and find out he or she is a relative. Sending prayers for his family for comfort and strength. There is only one who can give all these things and that is our Lord Jesus Christ..🙏🕊️

“ My favorite memories, are of us singing Jackson by Johnny cash. You always pushed me to sing, and was always my biggest fan. I hope you’re singing all the Johnny cash songs as loud as you can.

“ My most treasured memory is of Greg staying up nights to keep me company after my mommy died of cancer. He was only 14 and he did this for two years. I love him like a son. He was a very special person.
